Tellerette (Teller Rosette Packing)

PERFORMANCE CHARACTERISTICS

Tellerette ring (Teller Rosette Packing) has some advantages such as high void, not easy to, large throughout, little pressure drop, low height, small heaping weight, little obstruction. Beside these, it

also can improve the distribution efficiency of media.

Material: Polypropylene, PVC, CPVC, PVDF, PTFE, PFA, FEP, HDPE and Glass Filled Polypropylene, and steel

Sizes: 25mm, 47mm, 51mm, 59mm, 73mm, 95mm, 145mm, 2K, 2R

Tellerette

Material: PP, PE, PP+Fiber glass, Nylon

Tellerette

Material: PVC, CPVC, PVDF

Tellerette 2K

Material: Plastic

Super Tellerette

Material: Plastic
